People of Faith:

Some people have expressed a desire to have communion. As we seek to fulfill your desires to participate in the sacrament, as well as tend the safety and well-being of each of you, we will be offering Holy Communion as follows:

Holy Communion Service: We are planning to hold 2 *brief* Holy Communion services on **Wednesday, June 17 at 4:00pm and 6:30pm.**

Some things you should know:

Being mindful of loving and caring for our neighbors, we will practice *physical distancing* upon entering, upon exiting, as well as during the service. This means that you will be ushered to your seat, ushered out, and there will be no lingering following the service.

Masks are encouraged. If you don't have one, there will be some available for use. We will wash them upon their return. You are encouraged not to touch them or your face during this time.

Hand sanitizer will be used. We will have someone dispensing sanitizer to each individual to limit contact.

All hard surfaces will be cleaned before and after the use of our space.

We encourage only communion age individuals attend as we try to limit contact and promote distancing. We also suggest that older individuals consider attending the earlier service to allow families the ability to attend together in the evening.

We request that you leave personal items in your vehicle or at home.

If you are *at risk*, we encourage you not to attend. The things that might inform your decision would be not feeling well, age, weakened immune system, underlying health issues including issues breathing, cancer treatment, etc.

Watch for a *sign-up* sheet online or call the office to give your time preference. We will be limiting attendance to 30 people per service.

If you desire communion and are not able to participate or choose not to attend, please call Vicar Ann or the church office to make arrangements.
