Unfortunately the rate of Covid-19 is growing again in our county and state according to the CDC. We have recently been informed that a few of our members have tested positive. Not only do I want you to be aware, but I also urge you to take precautions at this time. My suggestions are not mandatory but I share them with you. If you could wear a mask, please do so. During the Sharing of the Peace, you may want to simply flash the peace sign to those around you. You might simply try to keep a little distance between yourself and others. Again, I say this is not mandatory but I give you these suggestions. Pr. Ron

Thank you to the ladies who helped clean the church kitchen last Tuesday.
